

D26 Alignment Plan July 2025

District Realignment

- As of the end of the 2023-2024 program year, 56 Districts have fewer than 100 clubs, equating to almost half of all Districts. As noted above, Districts with fewer clubs have more challenges, on average, in accomplishing the District mission. Out of 56 Districts, 44 are located in Regions 1 to 7. A comprehensive review of District boundaries, similar to the effort that every District undertakes each year to define Areas and Divisions, is necessary to make certain that Districts have the best opportunity to achieve the District mission—to build new clubs and support all clubs in achieving excellence.

D23 Realigned with D26

- The northern half of New Mexico was determined to be moved to District 26
- Primarily Division 'C' – "Central" D23
- Will keep letter 'C', but now wants to be called "Chile" Division under D26
- *The Southern half of D23 was designated to go East and West to other Districts*

Protocol 7.0: District Structure

- Toastmasters International has certain standards they want us to use for Area and Division size:
- 4 to 6 clubs per Area (4 must be in good standing)
 - *Advanced clubs may not be segregated to one Area*
- 4 or more Areas per Division

Protocol 7.0 Area Top Priorities

- Districts assign clubs to Areas based upon:
 - Geographic proximity to other clubs
 - The ability of an Area Director to effectively provide service, without requiring the clubs to change how meetings are conducted to accommodate an Area Director visit
 - Club size and strength (e.g., paid, active, disbanding)
 - Prospective clubs and expected growth
